

SEVEN HILLS RIVER DAYS 2019-2020

September 20
October 18
November 8
December 6
January 24
February 28
March 20
April 24
May 15

DIRECTIONS to the Pony Pasture Parking Lot

Pony Pasture is located at **7200 Riverside Drive** just ahead and to the left of where Longview Drive dead ends into Rockfalls Drive .

1. Coming from the north side of the James River, use the Powhite Parkway (Rt. 76) to cross the river and take the Forest Hill (Rt. 683) exit, bearing right at the \$.75 toll plaza and head west on Forest Hill, past Willow Oaks Country Club on the right. Continue about a mile to the light at the Stratford Hills Shopping Center, and take a right onto Hathaway Road. Continue on Hathaway Rd., bearing left as it becomes Longview Drive. At Rockfalls Drive, turn right and immediately go left around a small circular traffic diverter to head west on Riverside Drive. The Pony Pasture parking lot will be about 100 yards ahead on the right.
2. You may also enter Riverside Drive by taking the exit just after crossing the Huguenot Bridge and heading east along the river about a mile or so to the Pony Pasture parking lot which will be on the left just before you reach the small circular traffic diverter at Rockfalls Drive.
3. From the south side of the James River, you may follow Forest Hill Avenue to the Hathaway Road intersection and follow the directions in (#2) above. You may also access Riverside Drive just before the southern entrance of the Huguenot Bridge and follow the directions in (3) above.
4. Follow standard drop-off and pick-up procedures in the parking lot loop as directed by our faculty and staff who will be there to help direct you.

If you are volunteering to help with River Day, you should park in the Pony Pasture parking lot.

****** Please note that students must be dropped off at the river directly from home, and likewise picked up at the river. Do not bring your student to Seven Hills that day – go directly to the river location at Pony Pasture.***
