

## **8th Grade SCHOOL SUPPLIES 2019 - 2020**

**\*Personal use supplies should be brought on the first day of class, Monday, September 9.**

Each of these items should be marked with your name in permanent marker.

1. Seven (7) 9"x11" spiral notebooks with at least 150 pages, a sturdy plastic cover, and a pocket. Purchase of a Mead Five Star Notebook is recommended.  
\*NOTE – Each student needs a notebook for exclusive use in foreign language class, but may continue using his previous year's notebook, provided it is in good condition.
2. Two (2) composition books (marble cover; stitch bound, not spiral)
3. One (1) spiral-bound approximately 8"x10" sketchbook (unlined paper)
4. One (1) 1-inch, 3-ring binder with inside pockets
5. One (1) Flash (USB) Drive for storing/transporting electronic documents
6. One (1) compass *for Geometry students*
7. One (1) protractor *for use at home*
8. One (1) pad of graph paper (4 squares per inch preferred) *for home use, not turned in*
9. *\*For at home use, students should have a scientific calculator (for example: a Texas Instrument calculator from the TI-30 series, TI-36 series, or TI-34 series) Note: These are not graphing calculators.*
